#### **EXCLUSIVE** Carswell Criminal Law Digests

- Covers virtually every case reported in Canada back to 1803, and every case received from the courts since 1986, whether reported or unreported, with the exception of Québec civil law

*Note: Decisions from non-Carswell law report series have either been published in the Carswell Law Reports, collected from our own archives, or gathered directly from the courts by Carswell before they are entered into Westlaw Canada. The Carswell editorial team classifies these cases and adds head notes and other value-added information such as Tables of Cases, Legislation Cited and Statements of Proceedings and Disposition.*

**EXCLUSIVE Dangerous Offender Database** contains over 1,400 cases, including several hundred previously unreported decisions, gathered from every court in Canada, focusing on the prosecution of Dangerous and Long-Term Offenders.

**EXCLUSIVE** **Quantums of Sentencing Digests** – Nadin-Davis, *Canadian Sentencing Digest* contains virtually all the sentencing cases back to 1970.

**Leaves to Appeal** – Westlaw Canada has created a new type of case law document ("Leave document") for each case where an application for leave to appeal, or notice of appeal to the SCC, has been filed.

**Case Citator** – KeyCite Canada for cases covers the direct appellate history of Canadian cases, plus treatments for any case, whether foreign or Canadian, discussed by a Canadian court or tribunal, or a secondary source on Westlaw Canada.
